Are website accessibility statements present, up-to-date, and reviewed annually?	Yes
Has a data audit been conducted recently to confirm what data is held, where, and why?	Not found
Are all required documents published on the website according to the ICO's Model Publication Scheme and Transparency Code?	Yes

Summary of my recommendations:

An excellent clear and concise set of accounts with adherence to Assertion 10.

I would make the following small observations, none of which should be onerous to solve:

1. The policies on the website are up-to-date and thorough. The Council, under new legislation, is also required to adopt a separate Bullying & Harassment Policy even if this is included elsewhere. I would recommend this be done during 2026/2027
2. Councillors – link to Register of Interests on the District Council website but Cllr Swallow is currently not showing – this should be updated as soon as possible
3. On the Policies page there is an up-to-date Privacy Notice – however, if the link in the bottom banner of the website 'Privacy Notice' is followed it leads you to an Error 404 Page not found – I would recommend contacting your website provider to rectify this
4. On the WAVE (Website Accessibility Evaluation Tool) there is one error showing – missing text on an image – I would recommend contacting your website provider to rectify this as they should be able to resolve the issue fairly quickly

I would like to take this opportunity to thank the Clerk for her help in ensuring this audit was successfully completed quickly.
